

4th International Symposium on
Energy **C**hallenges & **M**echanics
- working on small scales

11-13 August 2015
Aberdeen, Scotland, UK

Speaker of Session 12

MICROMECHANICS

Günther Meschke

Education

Oct. 1996: Venia Legendia for “Strength of Materials and Mechanics”, Vienna University of Technology

May 1989: Ph.D. from Vienna University of Technology, Graduation with distinction

Oct. 1977 – Nov. 1983: Vienna University of Technology, Diploma program in Civil Engineering, Degree “Dipl.Ing.”, Graduation with distinction

Professional Experience

Sept. 1998 – present: Professor for Structural Mechanics, Ruhr-University Bochum (RUB), Germany

July 2010 – present: Speaker of the Collaborative Research Center 837

2012: Offer for Professorship „Structural Analysis” at Graz University of Technology, declined.

2010 – 2012: Speaker of the Section Natural and Engineering Sciences” of the Ruhr University Research School

2004 – 2005: Director of Institute for Structural Engineering, Ruhr-University Bochum, Germany

2001 – 2004: Dean of the Faculty for Civil Engineering, RUB, Germany

1996 – 1998: Associate Professor, Institute for Strength of Materials, TU Vienna, Austria.

1988 – 1996: University assistant, Institute for Strength of Materials, TU Vienna, Austria.

1990 – 1992: Post-Doc Research Fellow, Appl. Mechanics Div., Stanford University USA.

1984 – 1988: Research assistant, Institute for Strength of Materials, TU Vienna, Austria.

Honors and Awards

1989: Award of a Max Kade stipend by the Austrian Academy of Sciences

1996: Advancement Award for the Sciences of the City of Vienna

1997: Kardinal-Innitzer-Award

Since 2009: Member of the General Council of the Int. Ass. for Computational Mechanics (IACM)

2008-2012: Member of the Executive Committee of the German Ass. for Comp. Mechanics (GACM)

Since 2010: Ordinary Member of the German Academy of Science and Engineering (acatech)

Since 2010: Ordinary Member of the Academy of Sciences and the Arts of Northrhine-Westphalia

Since 2012: Associated Member of the Austrian Academy of Sciences

4th International Symposium on Energy Challenges and Mechanics
- working on small scales
11-13 August 2015, Aberdeen, Scotland, United Kingdom
