

4th International Symposium on
Energy **C**hallenges & **M**echanics
- working on small scales

11-13 August 2015
Aberdeen, Scotland, UK

Speaker of Session 01

LITHIUM-ION BATTERIES

Dr Haifei Zhang is a lecturer in the Department of Chemistry at the University of Liverpool since 2010. He was educated as a chemical engineer both for undergraduate and master study in China. He finished his PhD study in physical chemistry in the Institute of Chemistry, Chinese Academy of Sciences in 2001. He was a postdoc researcher (2001 – 2005) and then a RCUK Academic Fellow (2005 – 2010) at the University of Liverpool. His research interests are porous materials, ice templating, energy materials, drug nanoparticles, separation including chromatography.

4th International Symposium on Energy Challenges and Mechanics
- working on small scales
11-13 August 2015, Aberdeen, Scotland, United Kingdom
